

# STEPS TO CREATE YOUR DEBIT CARD PIN

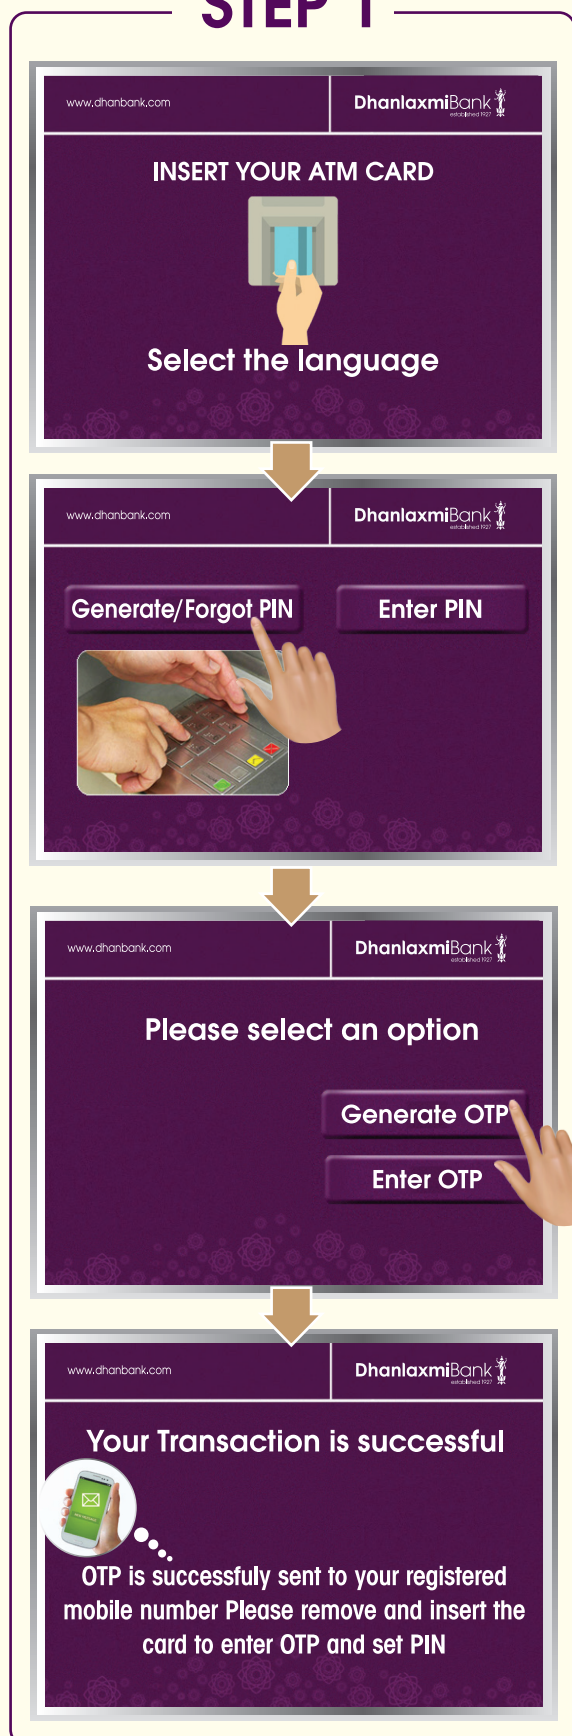

Green PIN is a green initiative from Dhanlaxmi Bank offering an effortless and hassle free PIN generation process for our valuable customers. Green PIN enables the customer to Generate/Reset the ATM PIN through any of the Dhanlaxmi Bank ATMs

Follow simple two steps

**1**  **Insert your card and generate OTP**

**2**  **Re-Insert your card, enter the OTP and create New PIN**

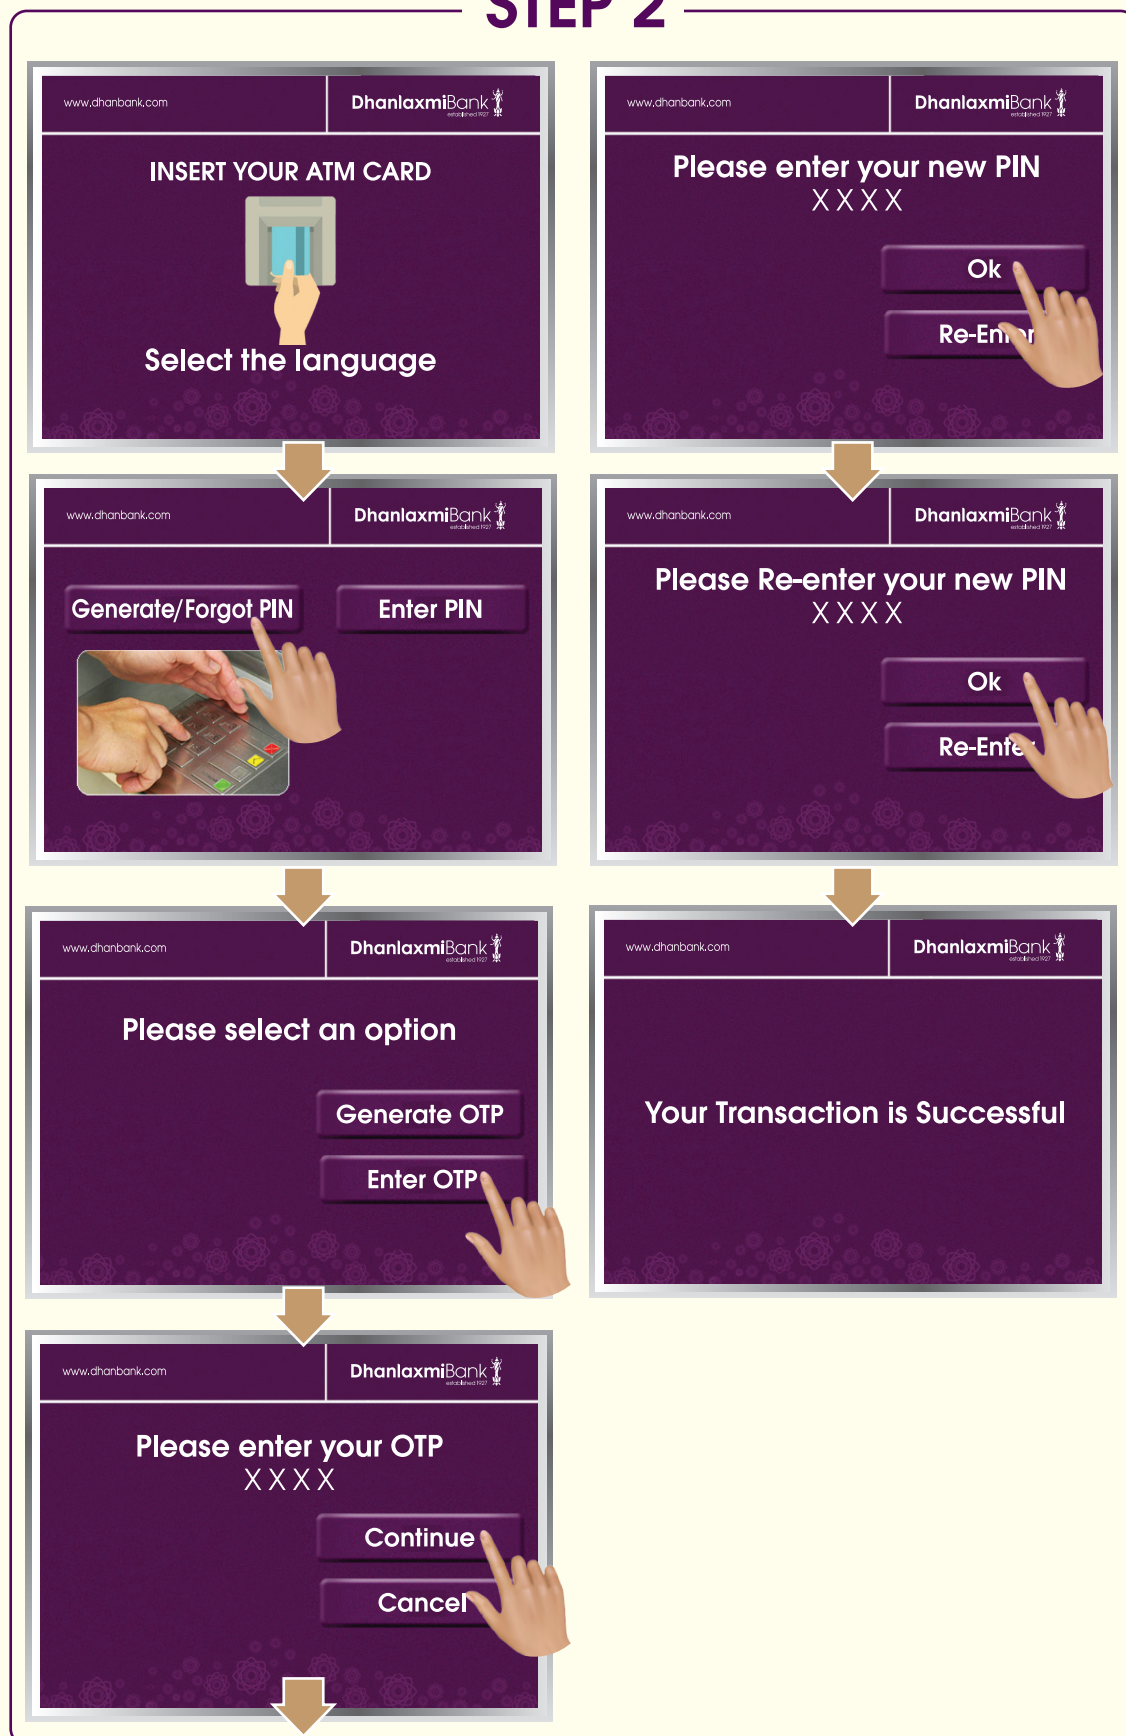

## STEP 1

The flowchart for Step 1 consists of five sequential screens:

- Screen 1:** "INSERT YOUR ATM CARD" with an icon of a hand inserting a card. Below the icon is the text "Select the language".
- Screen 2:** Two buttons: "Generate/Forgot PIN" and "Enter PIN". Below the buttons is an image of hands using an ATM keypad.
- Screen 3:** "Please select an option" with two buttons: "Generate OTP" and "Enter OTP". A hand is shown pointing at the "Generate OTP" button.
- Screen 4:** "Your Transaction is successful" with an icon of a smartphone showing a message. Below the icon is the text: "OTP is successfully sent to your registered mobile number Please remove and insert the card to enter OTP and set PIN".

## STEP 2

The flowchart for Step 2 consists of six sequential screens:

- Screen 1:** "INSERT YOUR ATM CARD" with an icon of a hand inserting a card. Below the icon is the text "Select the language".
- Screen 2:** Two buttons: "Generate/Forgot PIN" and "Enter PIN". Below the buttons is an image of hands using an ATM keypad.
- Screen 3:** "Please enter your new PIN XXXX" with two buttons: "Ok" and "Re-Enter". A hand is shown pointing at the "Ok" button.
- Screen 4:** "Please Re-enter your new PIN XXXX" with two buttons: "Ok" and "Re-Enter". A hand is shown pointing at the "Ok" button.
- Screen 5:** "Your Transaction is Successful".
- Screen 6:** "Please enter your OTP XXXX" with two buttons: "Continue" and "Cancel". A hand is shown pointing at the "Continue" button.
