Vision

Banking on Relationships forever

Mission

To Become a Strong and Innovative Bank with Integrity and Social Responsibility to Maximise Customer Satisfaction as well as that of the Employees, Shareholders and the Society.

Chairman's Message

Dear Shareholders,

I am happy to share with you my thoughts and perceptions on the macro economic scenario prevailing in which your bank has progressed during the year 2018-19. It was indeed a year of profound changes. Despite this, your Bank was able to stay on course and deliver better results.

Before I get into the Global scenario, let me thank you all for the tremendous support and the faith you have shown in the Bank and its Management.

It has been noted that after a long period of stagnation, the world economy is strengthening, creating opportunities to reorient policy towards the longer-term pursuit of sustainable development. The intervening year has been punctuated by escalating global trade disputes and episodes of financial stress and volatility, amid an undercurrent of geopolitical tensions.

Digitalisation, which is generally assumed to be the new industrial revolution, is now also transforming the service sector — including the business model of Banks. While it is difficult to predict exactly where this will take us all, it is certain that the way we do Banking is going to change. The distribution of our products will be revolutionised and the development of relevant services will take a new form. In this context, banks have to be on their toes and cannot afford to miss a trick.

We cannot overlook climate change. Climate change is a fact, even if it is readily questioned by a few people. Climate change will bring in more risks for all and mainly for farmers. We have to be well prepared and we must be in the forefront to find and provide solutions for both the prevention and management of losses.

India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers of the world over the next 10-15 years, backed by its strong democracy and partnerships. The economy of India is a developing mixed economy. It is the world's seventh-largest economy by nominal GDP and the third-largest by purchasing power parity.

We have a loyal and supportive shareholders base and in my view an exceptional management.

Your Bank has a great history of over 92 years, often perceiving challenges as opportunities; it has weathered many a storm during this long journey and consequently built a reputation for bouncing back from the difficulties on each occasion with drift and determination. The Bank is on track and stands on the threshold of a new era geared to battle challenges of the market place with renewed vigour and confidence powered by a resurgent workforce and state of the art technology. It has equipped itself to harness the exciting possibilities of the future in right time and in the right manner. While retail banking will be the mantra for future, the Bank would strive to continually provide a better value proposition to its constituents. The Board of the Bank is committed to ensure that these developmental endeavors are carried to their logical conclusion.

You have extended unstinted support to the Bank through tough and difficult times. I thank our Shareholders, Members of the Board and Reserve Bank of India for their valuable support and guidance, our customers for their continued support and our employees for their tireless efforts and hard work towards achieving our goals. I have no doubt that, with your continued backing and guidance, the Bank will reach greater heights during the coming years and look forward to our team scaling new heights of glory.

*Thanking you and with Best Wishes,
Sajeep Krishnan*

MD & CEO's Message

Dear Shareholders,

I have immense pleasure in presenting your Bank's Annual Report for 2018-19. It has been a turnaround year for the Bank and reinforced confidence in the strategies and belief in long term goals. I take this opportunity to thank each one of you for your continued support and loyalty which enabled the Bank to perform better.

Before I dwell into the opportunities for your Bank in FY 2019-20 amid changing scenario in Banking industry, let me share some significant developments that have unfolded during the year 2018-19.

Your Bank has taken several initiatives to enhance quality of customer service by introducing various customer friendly products and services. The customer service standards are reviewed periodically and efforts are taken to follow best practices.

Bank has made a turnaround by achieving a Net Profit of ₹11.67 Crore during Financial Year 2018-19 against a Net Loss of ₹24.87 Crore during FY 2017-18. The operating profit stood at ₹94.93 Crore for FY 2018-19.

Income levels are streamlined and Net Interest Margin (NIM) improved to 3.00% during Financial Year 2018-19.

Net NPA also improved to 2.41% during Financial Year 2018-19 as against 3.19% in the previous year.

Bank has come out of Prompt Corrective Action (PCA) of Reserve Bank of India and it is now time to fulfill the growth commitments envisaged for turnaround. Bank has also brought in various structural changes & strategies to improve the institutional efficiencies for a sustainable growth.

The Bank continues to engage in financial inclusion activities in FY 2019-20 and extended financial assistance to large number of Self Help Groups (SHG). The Bank was honored for the best performance in Self Help Groups Bank linkage programme by NABARD and awarded 2nd prize among Private Sector Commercial Banks in Kerala for the year 2018-19.

The Bank is committed to sound governance practices, proactive management and long term customer relationships. I feel a sense of optimism and excitement. Your Bank will look to go beyond peripheral issues and focus on significant areas like improvement in profitability, efficiencies in operations without compromising on ethical practices. Customer's & Investor's delight is the prime motto.

I take this opportunity to thank the Board Members for their valuable support and guidance, Share Holders for reposing their confidence and faith, esteemed Customers for their continued co-operation and last but not the least, staff members for their tireless efforts and hard work.

I see opportunities in challenges. Strategies are clear and Bank has mobilized all the resources to achieve the goals. I am confident that the Bank will grow from strength to strength in the years to come. Thank you all your support, guidance and encouragement.

*Yours Sincerely
T. Latha*

SECRETARIAL AUDIT REPORT
For the financial year ended 31st March, 2019
[Pursuant to Section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Dhanlaxmi Bank Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Dhanlaxmi Bank Limited (hereinafter called the "company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2019 complied with the statutory provisions listed hereunder and also that the company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the company for the financial year ended on 31st March, 2019 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- vi. The other laws applicable specifically to the company are as follows:
 - a) The Reserve Bank of India Act, 1934;
 - b) The Banking Regulation Act, 1949;
 - c) The Banking Companies Regulation (Companies Rules), 1949
 - d) The Banking Companies (Period of preservation of Records) Rules, 1985
 - e) Prevention of Money Laundering Act, 2002
 - f) Credit Information Companies (Regulation) Act, 2005
 - g) The Deposit Insurance and Credit Guarantee Corporation Act, 1961
 - h) The Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002.

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards 1 and 2 issued by The Institute of company Secretaries of India.
- ii. The Listing Agreements entered into by the company with Bombay Stock Exchange Limited and National Stock Exchange of India Limited.

During the period under review the company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that

The Board of Directors of the company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through and the views expressed by the Board members were also captured and recorded as part of the minutes.

In the matter of appeal before Cyber Appellate Tribunal, New Delhi, against the order under Section 46 of the Information Technology Act, 2008 seen in the Risk Assessment Report dated 27.09.2018, the matter was before The Telecom Disputes Settlement and Appellate Tribunal and vigilance case under this head was closed.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the company has made the following specific events/actions having a major bearing on the company's affairs in pursuance of the rules, regulations, guidelines, standards, etc. referred to above:

- i. Members have provided approval to issue redeemable secured/unsecured Non-Convertible Debentures, subject to an aggregate limit of ₹150 Crores pursuant to Section 42 and 71 of the Companies Act, 2013 at the 91st Annual General Meeting held on September 27, 2018.

Management Discussion and Analysis Report

GLOBAL ECONOMY

It has been noted that after a long period of stagnation, the world economy was strengthening, creating opportunities to reorient policy towards the longer-term pursuit of sustainable development. The intervening year has been punctuated by escalating global trade disputes and episodes of financial stress and volatility, amid an undercurrent of geopolitical tensions.

INDIAN ECONOMY

India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers of the world over the next 10-15 years, backed by its strong democracy and partnerships. The economy of India is a developing mixed economy. It is the world's seventh-largest economy by nominal GDP and the third-largest by purchasing power parity.

India is also focusing on renewable sources to generate energy. It is planning to achieve 40 per cent of its energy from non-fossil sources by 2030 which is currently 30 per cent and also have plans to increase its renewable energy capacity to 175 GW by 2022.

KERALA ECONOMY

In 2018, Kerala was affected by severe floods and landslides that it has experienced since 1924. The natural disaster of August 2018 resulted in the loss of lives, livelihoods, and caused damage to houses, roads, and other infrastructure. The productive sectors of the economy including agriculture, industries, and tourism, suffered substantial losses.

The theme is about building a new Kerala in the aftermath of the floods of August 2018. The Government has taken this crisis as a challenge and an opportunity to rebuild the State to ensure better standards of living to all sections of society.

REGULATORY MEASURES AND MONETARY POLICIES

Banking regulation is a form of government regulation which subjects banks to certain requirements, restricts and guidelines, designed to create market transparency between banking institutions and the individuals and corporations with whom they conduct business, among other things. As regulating focusing on key factors in the financial markets, it forms one of the three components of financial law, the other two being case law and self regulating market practices.

It is important for regulatory agencies to maintain control over the standardized practices of financial institutions to hold control over the economy to fail without enormous consequences. This

is the premise for government bailouts, in which government's financial assistance is provided to banks or other financial institutions that appear to be on the brink of collapse. The belief is that without this aid, the crippled banks would not only become bankrupt, but would create rippling effects throughout the economy leading to systemic failure.

Monetary Policies

Monetary policy is a policy formulated by the central bank, i.e. RBI (Reserve Bank of India) and relates to the monetary matter of the country. The policy involves measures taken for regulating the money supply, availability and cost of credit in the economy. The policy also oversees distribution of credit among users as well as borrowing and lending rates of interest. In a developing country like India, it's significant in the promotion of economic growth.

The various Instruments of Monetary policy include variations in bank rates, other interest rates, selective credit controls, supply of currency, variations in reserve requirements and open market operations.

Opportunities

Enhanced spending on infrastructure, speedy implementation of projects and continuation of reforms are expected to provide further impetus to growth. All these factors suggest that India's banking sector is also poised for robust growth as the rapidly growing business would turn to banks for their credit needs.

Also, the advancements in technology have brought the mobile and internet banking services to the fore. The banking sector is laying greater emphasis on providing improved services to their clients and also upgrading their technology infrastructure, in order to enhance the customer's overall experience as well as give banks a competitive edge.

Financial Performance

The Bank's operating profit during the year was ₹94.93 Crore as against ₹146.18 Crore during the previous year mainly due to loss in sale of investments. Software is made use of for customer on-boarding, which takes care of the need for compliance of various regulations under PML Rules/ Banking Regulation Act, Income Tax rules etc.

Risk Management

Bank has adopted an integrated approach for the management of risk. The Bank's risk management structure is overseen by the Board of Directors and appropriate policies to manage various types of risks are in place. The Bank has a Board level subcommittee for Risk Management and at the executive

level, ALCO, Credit Risk Management Committee (CRMC) Operational Risk Management Committee (ORMC) and Market Risk Management Committee (MRMC).

The risk management policies like ICAAP (Internal Capital Adequacy Assessment Process) Policy, Credit Risk Management Policy, Asset Liability Management Policy, Operational Risk Management Policy and Integrated Risk Management Policy were comprehensively reviewed during the year. The Stress testing Policy of the bank formulated to define different stress scenarios according to the RBI guidelines. The Bank has also developed various other risk Policies such as Stressed Industry Risk Management Policy, Fund Transfer Pricing Policy, Key Risk Indicator framework, Credit Pricing Policy and Risk Appetite Framework etc., for better monitoring of Risk management.

Credit Risk

The Bank assesses the credit risk at the portfolio level as well as at the exposure or counterparty level. It has a robust credit risk management framework comprising of the three distinct building blocks namely Policy & Strategy, Organisational structure and Operations/Systems.

The credit risk management aims at ensuring sustained growth of healthy credit portfolio. Exposure caps in terms of individual, group, industry / sector and segment level are defined to control risk concentrations and to ensure a fairly diversified spread of credit portfolio. Bank has developed comprehensive risk rating system that serves as a single point indicator of diverse risk factors of counterparty and for taking credit decisions in a consistent manner. All exposures of ₹2 Lakh and above will come under the purview of rating.

The Bank has put in place 'Rating Migration Analysis' of all credit exposures of ₹1 Crore and above on a quarterly basis. Credit risks inherent in investments in non-SLR Bonds are being assessed independently by mid office treasury using the internal rating models.

Market Risk

Market Risk is defined as the possibility of loss to a bank caused by changes in the market variables. Liquidity risk which is the risk to a bank's earnings and capital arising from its inability to timely meet obligations when they come due without incurring unacceptable losses. The primary tool of monitoring liquidity is the mismatch/gap analysis, which is monitored over successive time bands on a static basis. Moreover, the funds readily available as a back stop to meet contingency situations are measured and analyzed on a continuous basis.

Interest Rate Risk is another major risk involved in market risk. It is the exposure of a Bank to financial loss through movements in interest rates. The immediate impact of changes in interest rates is on bank's earnings due to change in Net Interest Income (NII) and long term impact of changing interest rates is on bank's

market value of equity, (MVE) or Networth as the economic value of bank's assets, liabilities and off-balance sheet positions get affected due to variation in market interest rates. The Bank measures the impact on EVE on a monthly basis using Duration Gap Analysis. Bank uses VaR limits in the trading portfolios to determine the potential loss on a 10 day holding period basis with a 99% confidence level.

ALCO plays an important role in deciding the business strategy of the Bank in line with the Bank's budget, Corporate Goals and risk tolerance levels decided by the Board having regard to the Capital Adequacy and Regulatory prescriptions.

Operational Risk

Operational risk is the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. The Bank has a comprehensive policy on Operational Risk Management to ensure that all the operational risks within the Bank are identified, monitored and reported in a structured manner. The ORMC consisting of the Bank's senior management including MD & CEO is responsible for the implementation of the Operational risk policy/strategy approved by the Board.

Bank had rolled out the Risk Control Self Assessment (RCSA) to pro-actively identify emerging risks at operational level for devising mitigants at source itself during 2010-11 and has successfully completed RCSAs in majority of the branches and other business functions. Collation of Loss Events is also being continued as a measure to move towards The Standardized Approach for capital calculation.

Compliance

Bank's Compliance Department, consisting of experienced officers headed by Chief Compliance Officer, is setup at Corporate Office, Thrissur. The main function of Compliance Department is to ensure strict observance of all statutory provisions contained in various legislations such as Banking Regulation Act, Reserve Bank of India Act, Foreign Exchange Management Act, Prevention of Money Laundering Act, etc. as well as to ensure observance of other regulatory guidelines issued from time to time, standards and codes prescribed by IBA, FEDAI, FIMMDA, etc. and also Bank's internal policies and fair practices code. The activities of Compliance function is based on a well-defined Compliance Framework approved by the Board of Directors. Compliance function conducts compliance testing at various functional units and failures, if any, are brought to the notice of the Board of Directors. The Compliance Department act as the focal point for receipt and dissemination of all regulatory and internal guidelines/instructions. Compliance Department ensure that appropriate instructions get promptly issued within

the organization, the instructions are actually received at each office, and the instructions are implemented. Compliance Department play the central role in the area of identifying the level of compliance risk in each business line, products and processes and issue instructions to operational functionaries.

The Bank moved to Risk Based Supervision (RBS), the revised supervisory framework of RBI, from the Financial Year 2015-16.

Human Resources

The Bank's employee strength, which was 1884 on 31st March, 2018 has come down to 1773 as on March 31, 2019. The number of Sales Executives including Business Development Executives also reduced to 74 as on 31st March, 2019 from 82 as on 31st March, 2018.

12. UNCLAIMED / UNPAID DIVIDEND

All Dividends remaining unclaimed or unpaid including the balance in Dividend Account upto and including financial year 1993-94 have been transferred to the General Reserve Account of the Central Government. Any claim in respect of transferred amounts shall be made to the Registrar of Companies, Kerala Company Law Bhavan, Bharath Matha College, P.O., Kochi - 682 021.

In terms of Section 125 of the Companies Act, 2013, the amount which has remained unclaimed/unpaid for a period of 7 years from the date of transfer to the unpaid /unclaimed Dividend Account has to be transferred to the "Investors' Education and Protection Fund" and thereafter, no claim can be made by any shareholder against the Bank or the fund for the dividend amount of that year. The unpaid dividend for the financial year 2010-11 was transferred to this fund in the financial year 2018-19. Consequently, all dividends remaining unclaimed or unpaid have been transferred to this fund.

In accordance with the Investor Education Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016, notified by MCA, the Bank is required to transfer all unclaimed/unpaid shares in respect of which dividends have remained unclaimed for the last seven years continuously to the IEPF suspense account. The Bank has transferred all shares on which dividends have remained unclaimed / unpaid for the last seven years to the said account after giving due notice to the shareholders as prescribed under the Companies Act, 2013 and the rules made thereunder.

13. COMPLIANCE OF SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

The Bank has complied with all mandatory recommendations prescribed in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. A certificate to this effect from Sri M. Vasudevan, Practising Company Secretary is annexed as Annexure II to this report.

The Bank has complied with the following discretionary requirements stipulated under Part E of Schedule-II of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015:-

(A) Modified Opinion(s) in Audit Report

The auditor's report on the Bank's audited financial statements for the FY 2018-19 contains unmodified opinion on the financial statements and the Bank wishes to continue with a regime of financial statements with unmodified audit opinion.

(B) Separate posts of Chairperson and Chief Executive Officer

The Bank already has separate posts for Chairperson and Managing Director & Chief Executive Officer.

14. AFFIRMATION OF COMPLIANCE WITH CODE OF CONDUCT

I, T. Latha, Managing Director & CEO hereby confirm that all Directors and members of the Senior Management have affirmed compliance with Dhanlaxmi Bank Code of Conduct for Directors and Senior Management.

Independent Auditor's Report

To

The Members of Dhanlaxmi Bank Limited
Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Dhanlaxmi Bank Limited ("the Bank"), which comprise the Balance Sheet as at 31 March, 2019, the Profit and Loss Account and the Cash Flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. Incorporated in these financial statements are the returns of Nineteen branches/offices and Treasury division audited by us, 242 branches/offices audited by branch auditors.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements together with the Principal Accounting Policies and Notes appended thereto give the information required by the Banking Regulation Act, 1949 as well as the Companies Act, 2013 (the "Act") in the manner so required for the banking companies and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Bank as at 31 March, 2019, its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the **Auditor's Responsibilities for the Audit of the Financial Statements** section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Financial Statements and Auditor's Report thereon

The Bank's Management and Board of Directors are responsible for the other information. The other information comprises the Directors Report including the annexures to Directors' Report, Secretarial audit Report, Management Discussion & Analysis Report and Corporate Governance Report included in the Annual report, but does not include the financial statements and our auditor's report thereon and the Pillar III Disclosures under the New Capital Adequacy Framework (Basel III disclosures). The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and Basel III Disclosures and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so,

consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and those charged with governance for the Financial Statements

The Bank's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949 and accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies(Accounts) Rules, 2014,

in so far as they apply to the Bank and the guidelines issued by the Reserve Bank of India from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Bank's financial reporting process.

Auditor's responsibility for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of

the Act, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls with reference to the financial statement in place and the operating effectiveness of such controls.

- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ▶ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause a bank to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. The Balance Sheet and the Profit and Loss Account have

been drawn up in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949 read with Section 133 of the Companies Act, 2013 and read with Rule 7 of the Companies (Accounts) Rules, 2014.

2. As required by Section 30 of the Banking Regulation Act, 1949, we report that:
 - a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit and have found them to be satisfactory;
 - b) In our opinion, the transactions of the Bank, which have come to our notice, have been within the powers of the Bank;
 - c) The returns received from the Offices and branches of the Bank have been found adequate for the purpose of our audit. The reports on the accounts of the branch offices audited by branch auditors of the Bank under Section 143(8) of the Act have been sent to us and have been properly dealt with by us in preparing this report;
3. Further, as required by Section 143(3) of the Act, we further report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

 - c) The Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, as applicable to banks and not inconsistent with the accounting policies prescribed by RBI;
 - e) On the basis of written representations received from the directors as on 31 March, 2019 taken on record by the Board of Directors, none of the directors are disqualified as on 31 March, 2019 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Bank and the operating effectiveness of such controls, refer to our separate Report in "Annexure 1" to this report. Our report

expresses an unmodified opinion on the adequacy and operating effectiveness of the Bank's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Bank has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. The Bank has made provision, as required under the applicable law or accounting standards, for material foreseeable losses on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Bank.
4. With respect to the matter to be included in the Auditors' Report under Section 197(16):

In our opinion and to the best of our information and according to the explanations given to us, the entity being a banking company, Section 197 of the Act related to the managerial remuneration is not applicable by virtue of Section 35B (2A) of the Banking Regulation Act, 1949.

Annexure 1 to The Independent Auditor's Report of even date on the Financial Statements of Dhanlaxmi Bank Limited

(Referred to in paragraph 3 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To

The Members of Dhanlaxmi Bank Limited

We have audited the internal financial controls over financial reporting of Dhanlaxmi Bank Limited ("the Bank") as of 31 March,

2019 in conjunction with our audit of the financial statements of the Bank for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Bank's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Bank's internal financial controls over financial reporting based on our audit. We have conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Concept of Internal Financial Controls Over Financial Reporting

A bank's internal financial control over financial reporting is a

process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A bank's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the bank are being made only in accordance with authorizations of management and directors of the bank; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the bank's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Bank has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2019, based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SCHEDULES FORMING PART OF THE FINANCIAL STATEMENTS, MARCH 31, 2019

SCHEDULE 17- SIGNIFICANT ACCOUNTING POLICIES

A. Corporate Information and Background

Dhanlaxmi Bank Limited ('DBL' or the 'Bank') is a private sector Bank incorporated in the year 1927. Dhanlaxmi Bank Limited is a publicly held bank engaged in providing a wide range of banking and financial services. Dhanlaxmi Bank Limited is a banking company governed by the Banking Regulation Act, 1949 and the Companies Act, 2013. 58% of the branches of the Bank is in Kerala.

B. Basis of Preparation

Financial Transactions are recorded, prepared and presented under the historical cost convention and accrual basis of accounting, unless otherwise stated and comply with generally accepted accounting principles, statutory requirements prescribed under the Banking Regulation Act, 1949, circulars and guidelines issued by the Reserve Bank of India ('RBI') from time to time, Accounting Standards ('AS') notified under Section 133 of the Companies Act, 2013 as amended by the Companies (Accounting Standards) Amendment Rules, 2016, read with rule 7 of the Companies (Accounts) Rules, 2014 to the extent applicable and current practices prevailing within the banking industry in India.

C. Use of Estimates

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

D. Significant Accounting Policies

1. Revenue Recognition

- Revenue is recognized to the extent it is probable that the economic benefits will flow to the Bank and revenue can be reliably measured under AS-9 "Revenue Recognition as prescribed under Section 133 of the Companies Act, 2013 and as specified by Reserve Bank of India (RBI) guidelines.
- In terms of RBI circular, FIDD.CO.Plan.BC.23/04.09.01/2015-16 dated April 7, 2016 trades, in priority sector portfolio by purchasing/selling Priority Sector Lending Certificates (PSLCs) is allowed by RBI. Fees paid/received for purchase/sale of PSLC is treated as expense/income respectively.
- Interest income from loans and advances, investments (including deposits placed with banks and other institutions) are recognized over the period of the loans and advances, Investments, Deposits etc. on accrual basis. However interest accrued and other dues in the nature of non interest income relating to Advances/Investments, classified as Non-performing Advances/Investments under RBI guidelines, are recognized only on realization.
- Overdue Interest on Investments and Bills discounted are accounted on realization.
- Profit or Loss on sale of Investment is recognized in the Profit and Loss Account. However, an amount equal to the profit on sale of investments in the Held to Maturity (HTM) category is appropriated to Capital Reserve Account, net of applicable taxes.
- Income (other than interest) on investments in the "Held to Maturity (HTM)" category acquired at a Discount to Face Value, is recognized as follows:
 - i. On interest bearing securities, it is recognized only at the time of sale/redemption.
 - ii. On Zero coupon securities, it is accounted for over the balance tenor of the security on a constant yield basis.
- Commission on ATM interchange fees are recognized as they accrue.
- Upfront fees on restructured accounts are apportioned over the restructured period.
- Profit earned from the sale of gold/silver bullion (i.e. the difference between the sale price and the purchase price) is included under "Other Income".
- Dividend on investments in shares and units of mutual funds are accounted on accrual basis when the bank's right to receive the dividend is established.
- Insurance claims, Locker Rent, Interest on Income Tax refund, Commission from Distribution of Mutual Fund products and Commission from Depository services are accounted on receipt basis.
- Commission income on issuance of Bank Guarantee/Letter of Credit and Discount on Bill Discounted is collected upfront and is recognized over the period of the underlying liability.
- Commission on distribution of Insurance products is accounted on accrual basis.
- Processing fee/upfront fee, handling charges or income of similar nature collected at the time of sanctioning or renewal of loan/facility is recognized in the year of receipt without spreading it over the period of loan/facility.
- All other amounts collected from customers as Non interest income or recovery of expenses towards provision of various services/facilities are accounted/recognized on receipt basis.

2. Expenses Recognition

A) Interest Expenses

All interest expenses relating to deposits accepted and borrowings are recognised on accrual basis. Interest on unclaimed matured deposits is provided as per RBI directives.

B) Employee Benefits

a) Provident Fund

The contribution made by the bank to Dhanlaxmi Bank Ltd. Employees Provident Fund, administered by the trustees is charged to Profit & Loss account. Provident Fund is a Defined Contribution Plan in which both the employee and the Bank contribute monthly at a pre determined rate. Contribution to provident fund are recognized as expense as and when the services are rendered The Bank has no liability for future provident fund benefits other than its annual contribution.

b) Pension Fund

The contribution towards Dhanlaxmi Bank Ltd. Employees' Pension Fund, managed by trustees, is determined on actuarial basis on projected unit credit method as on the Balance Sheet date and is recognized in the accounts. The actuarial gain or loss arising during the year is recognized in the Profit and Loss Account.

c) New Pension Scheme (NPS)

Employees who had joined the services of the Bank with effect from April 01, 2010 are covered under Defined Contributory Pension Scheme (DCPS). In respect of such employees the bank contributes 10% of the Basic Pay plus Dearness Allowance and the expenditure thereof is charged to Profit and Loss account and the Bank has no further liability beyond the contribution to the fund on this account.

d) Gratuity

The Bank makes annual contribution to Dhanlaxmi Bank Ltd. Employees' Gratuity Trust Fund administered and managed by the trustees. The cost of providing such benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Profit and Loss Account in the period in which they occur. The retirement benefit obligation recognized in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

e) Compensation for absence on Privilege/Sick/Casual Leave

The employees of the bank are entitled to compensated absence on account of privilege/sick/casual leave as per the leave rules. The bank measures the long-term expected cost of compensated absence as a result of the unused entitlement that has accumulated at the balance sheet date based on actuarial valuation and such costs are recognised in the accounts.

f) Other Employee Benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employee is recognised during the period when the employee renders the service.

g) Employee Stock Compensation Cost

Measurement of the employee share-based payment plans is done in accordance with the Guidance Note on Accounting for Employee Share-based Payments issued by Institute of Chartered Accountants of India (ICAI) and SEBI (Share Based Employee Benefits) Regulations, 2014. The Bank measures compensation cost relating to employee stock options using the intrinsic value method. Compensation cost is measured by the excess, if any, of the fair market price of the underlying stock (i.e. the last closing price on the stock exchange on the day preceding the date of grant of stock options) over the exercise price. The exercise price of the Bank's stock option is the last closing price on the stock exchange on the day preceding the date of grant of stock options and accordingly there is no compensation cost under the intrinsic value method.

C) Other Operating Expenses

Other operating expenses are generally accounted on accrual basis. In the case of Rent, where rent agreement is expired, rent is accounted on the basis of expired agreement till new rent agreement is signed.

3. Net Profit

Net Profit is arrived at after provisions for contingencies, which include Provision for:

- i) Depreciation on Investments;
- ii) Standard Assets, Restructured Advances and Non-Performing Advances and Investments;
- iii) Taxation in accordance with statutory requirements.

4. Advances

A) Valuation/Measurement

- Advances are classified into performing assets (Standard) and Non-Performing Assets (NPAs) as per the RBI guidelines and are stated net of specific provisions made towards NPAs, sacrifice provisions on restructured advances and unrealized interest on NPAs. Interest on Non-Performing advances is transferred to an unrealized interest account and not recognized in profit and loss account until received. Further, NPAs are classified into substandard, doubtful and loss assets based on the criteria stipulated by the RBI. Provisions for NPAs are made at the minimum required level as per the guidelines of the RBI on matters relating to prudential norms.
- Amounts recovered against debts written off are recognized in the profit and loss account and included under "Other Income".
- For restructured/rescheduled assets, provision is made in accordance with the guidelines issued by the RBI, which requires the diminution in the fair value of the assets to be provided at the time of restructuring. In respect of loans and advances accounts subjected to restructuring, the account is upgraded to standard only after the specified period i.e. a period of one year after the date when first payment of interest or of principal, whichever is later, falls due, subject to satisfactory performance of the account during the period. The bank also maintains provision on loans under scheme for sustainable structuring of stressed assets S4A and SDR scheme as per RBI guidelines.
- For entities with Un-hedged Foreign Currency Exposure (UFCE), provision is made in accordance with the guidelines issued by RBI, which requires to ascertain the amount of UFCE, estimate the extent of likely loss and estimate the riskiness of un-hedged position. The Provision is classified under Schedule 5 – Other Liabilities in the Balance Sheet.
- The Bank maintains general provision for standard assets including credit exposures computed as per the current marked-to-market values of foreign exchange derivative contracts, in accordance with the guidelines and at levels stipulated by RBI from time to time – direct advances to Sectors agricultural and SME at 0.25%, Commercial Real Estate at 1%, restructured advances at 5%, teaser rate housing loans at 2%, commercial real estate residential housing at 0.75% and for other sectors at 0.40%. Additional provision for standard asset at higher rates in respect of advances to stressed assets of the economy in accordance with the Board approved policy for making provision for standard assets at rates higher than the regulatory minimum based on evaluation of risk and stress in various sectors.
- Loss on sale of assets to Asset Reconstruction Companies The RBI issued guidelines on sale of non-performing advances on February 26, 2014. In accordance with these guidelines, if the sale of non-performing advances is at a price below the net book value, the shortfall is charged to the Profit and Loss Account spread over a period of two years. If the sale is for a value higher than the net book value, the excess provision is credited to the Profit and Loss Account in the year the amounts are received.

B) Recording/Presentation

Provisions created against individual accounts as per RBI guidelines are not netted in the individual account. For presentation in financial statements, provision created for NPA is netted against gross amount of advance without adjusting the same at individual account level. Provision held against an individual account is adjusted against individual account's balance only at the time of write off of the account.

5. Floating Provisions

The Bank has a policy for creation and utilization of floating provisions separately for advances, investments and general purposes. The quantum of floating provisions to be created is assessed at the end of the financial year. The floating provisions are utilized only for contingencies under extraordinary circumstances specified in the policy with prior permission of Reserve Bank of India.

6. Country Risk

In addition to the provisions required to be held according to the asset classification status, provisions are held for individual country exposure (other than for home country). The countries are categorized into seven risk categories namely insignificant, low, moderate, high, very high, restricted and off-credit as per Export Credit Guarantee Corporation of India Limited ("ECGC") guidelines and provision is made on exposures exceeding 180 days on a graded scale ranging from 0.25% to 100%. For exposures with contractual maturity of less than 180 days, 25% of the normal provision requirement is held. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country. The provision is reflected in Schedule-5 of the Balance Sheet under "Other liabilities and Provisions – Others".

7. Investments

A) Classification

- (a) In accordance with the RBI guidelines, investments are categorised in to "Held for Trading" (HFT), "Available for Sale" (AFS) and "Held to Maturity" (HTM) and are further classified under six groups;
 - i. Government Securities,

- ii. Other Approved Securities,
 - iii. Shares,
 - iv. Debentures and Bonds,
 - v. Subsidiaries/Joint Ventures and
 - vi. Other investments for the purposes of disclosure in the Balance Sheet.
- (b) Investments which are Held for sale within 90 days from the date of purchase are classified as "Held for Trading"(HFT). As per RBI guidelines, HFT Securities which remain unsold for a period of 90 days are classified as AFS Securities on that date.
- (c) Investments which the bank intends to hold till maturity are classified as "Held to Maturity".
- (d) Investments which are not classified in either of the above two categories are classified as "Available for Sale".

B) Valuation

The valuation of investments is made in accordance with the RBI Guidelines:

- i) Held for Trading/Available for Sale (HFT/AFS) :- Investments classified under the AFS and HFT categories are marked-to-market. The market/fair value of quoted investments included in the 'AFS' and 'HFT' categories is measured with respect to the Market Price of the Scrip as available from the trades/quotes on the stock exchanges, SGL account transactions, pricelist of RBI or prices declared by Primary Dealers Association of India ('PDAI') jointly with Fixed Income Money Market and Derivative Associations of India ('FIMMDA'), periodically. Net depreciation, if any, within each category of investment classification is recognized in Profit and Loss Account. The net appreciation, if any, under each category of Investment is ignored. Except in cases where provision for diminution other than temporary is created, the Book value of individual securities is not changed consequent to the periodic valuation of Investments.
- ii) Held to Maturity (HTM):- These are carried at their acquisition cost. Any premium on acquisition of debt instruments is amortized over the remaining maturity of the security. Any diminution, other than temporary, in the value of such securities is provided for each investment individually.
- iii) Treasury Bills, Commercial Papers and Certificate of Deposits being discounted instruments are valued at carrying cost.
- iv) Units of Mutual Funds are valued at the latest repurchase price/net asset value declared by Mutual Fund.
- v) Securities sold under both Market Repo and RBI Repo (LAF) will be revalued as per the norms prescribed by the RBI.
- vi) Market value of investments where current quotations are not available, is determined as per the norms prescribed by the RBI as under:
 - in case of unquoted bonds, debentures and preference shares where interest/dividend is received regularly (i.e. not overdue beyond 90 days), the market price is derived based on the Yield to Maturity (YTM) for Government Securities as published by FIMMDA/PDAI and suitably marked up for credit risk applicable to the credit rating of the instrument. The matrix for credit risk mark-up for each categories and credit ratings along with residual maturity issued by FIMMDA are adopted for this purpose;
 - in case of bonds and debentures (including Pass Through Certificates or PTCs) where interest is not received regularly (i.e. overdue beyond 90 days), the valuation is in accordance with prudential norms for provisioning as prescribed by RBI;
 - equity shares, for which current quotations are not available or where the shares are not quoted on the stock exchanges, are valued at breakup value (without considering revaluation reserves, if any) which is ascertained from the company's latest Balance Sheet. In case the latest Balance Sheet is not available, the shares are valued at ₹1/- per company;
 - Investment in security receipts are valued as per the Net Asset Value (NAV) obtained from the issuing Reconstruction Company/Securitization Company.
 - Non-Performing Investments are identified and valued based on RBI guidelines.

C) Repurchase (REPO) and Reverse Repurchase (Reverse REPO) Transactions

The securities sold and purchased under Repo/Reverse Repo (including transactions conducted under Liquidity Adjustment Facility (LAF) and Marginal Standing Facility (MSF) with Reserve Bank of India (RBI)) are accounted as Collateralized lending and borrowing transactions. However, securities are transferred as in the case of normal outright sale/purchase transactions and such movement of securities is reflected using the Repo/Reverse Repo Accounts and Contra entries. The above entries are reversed on the date of maturity. Costs and revenues are accounted as interest expenditure/income, as the case may be. Balance in Repo Account is classified under Schedule 4 (Borrowings) and balance in Reverse Repo Account is classified under Schedule 7 (Balance with Banks and Money at Call & Short Notice).

D) Short Sales

The Bank undertakes short sale transactions in Central Government dated securities in accordance with RBI guidelines. The short position is reflected as the amount received on sale and is classified under 'Other Liabilities'. The short position is marked to market and resultant mark-to-market gain/losses are accounted for as per the relevant RBI guidelines for valuation of investments.

E) Non-Performing Investments

In respect of securities included in any of the three categories of investments where interest/principal is in arrears, for more than 90 days, income is not recognised and appropriate provision for the depreciation in the value of the investments is made, as per prudential norms applicable to non-performing advances. Debentures/Bonds in the nature of advances are subjected to usual prudential norms applicable to advances.

F) Transfer Between Categories

Classification of investments under Held to Maturity (HTM), Held for Trading (HFT) and Available for Sale (AFS) is done at the time of purchase and subsequent shifting amongst categories is done in conformity with the regulatory guidelines. Transfer between categories is done at the lower of the acquisition cost/book value/market value on the date of the transfer and the depreciation, if any, on such transfer is fully provided for. Transfer of securities from/to Held to Maturity category is done as per guidelines issued by RBI from time to time.

G) Acquisition Cost

In determining the acquisition cost of the Investment:

- Transaction costs including brokerage and commission pertaining to acquisition of Investments are charged to the Profit and Loss Account.
- Broken period interest is charged to the Profit and Loss Account.
- Cost of investments is computed based on the weighted average cost method.

H) Disposal of Investments

- a. Held for Trading and Available for Sale – Profit or loss on sale/redemption is recognized in the Profit and Loss account.
- b. Held to Maturity – Profit or Loss on Sale/Redemption of Investments is recognised in the Profit and Loss account. In case of Profits, the same is appropriated to Capital Reserve, after adjustments for tax and transfer to statutory reserve.

8. Property, Plant and Equipment

- An item of property, plant and equipment that qualify for recognition as an asset are initially recognized and measured at cost.
- After initial recognition, the Bank chooses 'Cost Model' or 'Revaluation Model' for subsequent measurement as its accounting policy and applies that policy to entire class of property, plant and equipment.
- Property, Plant and Equipment following 'Cost Model' are carried at Cost less any accumulated depreciation/amortization and any accumulated impairment losses.
- Property, Plant and Equipment following 'Revaluation Model' are carried at Revalued Amount, being the fair value at the date of revaluation less any subsequent accumulated depreciation/amortization and any accumulated impairment losses.
- Revaluations are done with sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value.
- An increase in the carrying amount of an asset arising on revaluation is credited to owners' interest under "Revaluation Reserve". However, the increase is recognized in the statement of profit and loss to the extent that it reverses a decrease in the revaluation of same asset previously recognized in the profit and loss account. A decrease in the carrying amount of an item of an asset arising on revaluation is charged to the statement of profit and loss. However, the decrease is debited directly to owners' interest under the heading "Revaluation Surplus" to the extent of any credit balance existing in the Revaluation Reserve in respect of that asset.
- Revaluation Surplus included in owners' interest in respect of an item of property, plant and equipment is transferred to "Revenue Reserves" when the asset is retired or disposed off. The difference between the depreciation based on the revalued carrying amount and the depreciation based on original cost is also transferred to "Revenue Reserves" from "Revaluation Reserve". However, such transfers from "Revaluation Reserve" to "Revenue Reserve" are not made through the statement of profit or loss.
- Cost of an item of property, Plant and Equipment includes (a) purchase price, including import duties and non-

refundable purchase taxes, after deducting trade discounts and rebates; (b) any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management viz. cost of employee benefits (as defined in AS-15 'Employee Benefits') arising directly from the construction or acquisition of the item of property, plant and equipment, cost of site preparation, initial delivery and handling costs, installation and assembly costs, professional fees, cost of testing whether the asset is functioning properly; (c) the initial estimate of the cost of dismantling, removing the item and restoring the site on which it is located, referred to as 'decommissioning, restoration and similar liabilities'.

- Depreciation on fixed assets is charged based on the estimated useful life of the asset in compliance with the Schedule II of the Companies Act, 2013. Depreciable amount of an asset is allocated on a systematic basis over the useful life of the asset.
- Residual value and useful life of the asset is reviewed at least at each financial year end, and if expectations differ from previous estimates, such changes are accounted for as a change in accounting estimate in accordance with AS-5 "Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies".
- Method of depreciation used is assessed and reviewed at each financial year end and if there is a significant change in the pattern of consumption of the future economic benefits embodied in the asset, the method of depreciation is changed to reflect the changed pattern and such a change is accounted for and disclosed as a change in Accounting Estimate in accordance with AS-5 "AS-5" Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies.
- Impairment of an item of property, plant and equipment is determined by applying the Accounting Standard 28. Compensation from third parties for items of property, plant and equipment that were impaired, lost or given up is included in the statement of profit and loss when the compensation becomes receivable.
- Amount expended towards acquisition of Software is capitalized where it is reasonably estimated that the software has an enduring useful life. Software is amortized over an estimated useful life of 5 years on straight-line basis.
- Land and premises owned by the Bank are valued under 'Revaluation Model' and other Fixed Assets are valued under 'Cost Model'.

9. Non-Banking Assets

Non-Banking Assets acquired in settlement of debts/dues are accounted at the lower of their cost or net realizable value.

10. Cash and Cash Equivalents

Cash and Cash Equivalents include cash in hand, balances with Reserve Bank of India (RBI) and Balances with other banks/institutions and money at call and short notice (including effects of changes in exchange rates on cash and cash equivalents in foreign currency).

11. Transactions Involving Foreign Exchange

- i) Foreign Currency transactions are recorded on initial recognition in the reporting currency by applying the foreign currency amount, the exchange rate between the reporting currency and the foreign currency on the date of the transaction.
- ii) Foreign Currency Monetary items are reported using the Foreign Exchange Dealers Association of India (FEDAI) closing (spot/forward) rates.
- iii) Foreign Currency Non-Monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.
- iv) Contingent Liabilities denominated in foreign currency are revalued using the exchange rate notified by FEDAI at the end of each quarter.
- v) Outstanding foreign exchange spot and forward contracts held for trading are revalued at the exchange rate notified by FEDAI for specified maturities and the resulting profit or loss is recognized in the statement of profit and loss.
- vi) Foreign Exchange forward contracts which are not intended for trading and are outstanding on the Balance sheet date, are revalued at the closing spot rate. The premium or discount arising at the inception of such contracts is amortized as expense or income over the life of the contract.
- vii) Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognized as income or as expense in the period in which they arise.
- viii) Gains/Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/losses are recognized in the statement of profit and loss.

12. Derivative Transactions

The Bank recognises all derivative contracts at fair value, on the date on which the derivative contracts are entered into and are measured at fair value as at the Balance sheet or reporting dates. Derivatives are classified as assets when the fair value is positive (Positive marked-to-market) or as liabilities when the fair value is negative (negative marked-to-market).

Changes in the fair value of derivatives other than those designated as hedges are recognized in the Profit and Loss Account.

13. Segment Information

The disclosure relating to segment information is in accordance with the guidelines issued by RBI.

14. Earnings per Share

The Bank reports basic and diluted earnings per share in accordance with AS 20, Earnings per Share, as prescribed under Section 133 of the Companies Act, 2013. A basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding for the year. Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at the year end.

15. Operating Lease

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as operating lease. Lease payments for assets taken on operating lease are recognised as an expense in the Profit and Loss Account as per the lease terms.

16. Impairment of Assets

The carrying values of assets at each balance sheet date are reviewed for impairment, if any indication of impairment exists. If the carrying amount of the assets exceeds the estimated recoverable amount, impairment is recognised for such excess amount. The impairment loss is recognized as an expense in the Profit and Loss Account, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a reduction in revaluation to the extent a revaluation reserve is available for that asset. When there is indication that an impairment loss recognized for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Profit and Loss Account, to the extent the amount was previously charged to the Profit and Loss Account. In case of revalued assets such reversal is not recognised.

17. Taxes on Income

The income tax expense comprises current tax and deferred tax. Current tax is measured at the amount expected to be paid in respect of taxable income for the year in accordance with the Income Tax Act. Deferred tax assets and liabilities are recognized for the future tax consequences of timing differences, being the difference between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax asset is recognized subject to prudence and judgment that realization is more likely than not. Deferred tax assets and liabilities are measured using tax rates under tax laws that have been enacted before the balance sheet date. Changes in deferred tax assets/ liabilities on account of changes in enacted tax rates are given effect to in the profit and loss account in the period of the change.

18. Provisions, Contingent Liabilities and Contingent Assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Bank does not recognize a contingent liability but discloses its existence in the financial statements.

The Bank creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

19. Share Issue Expenses

Share issue expenses are charged to the Share Premium Account.

20. Corporate Social Responsibility

Spends towards corporate social responsibility, in accordance with Companies Act, 2013 are recognised in the Profit and Loss Account.

1.2 Capital Adequacy

The Bank is subject to the Basel-III Capital Regulations stipulated by Reserve Bank of India (RBI) effective from April 1, 2013. The transition to the Basel-III Capital Regulations is in a phased manner and during the transitional period the Bank is subject to the compliance with the regulatory limits and minimum as prescribed under Basel-III Capital Regulation on an on-going basis. Basel-III Capital Regulations will be fully implemented as on March 31, 2019. As per the Reserve Bank of India (RBI) guidelines, the total regulatory capital consists of sum of the following;

- 1) Tier-1 Capital (Going Concern Capital*)
 - a. Common Equity Tier-1(CET-1)
 - b. Additional Tier-1
- 2) Tier-2 Capital (Gone Concern Capital**)

* From Regulatory perspective, Going Concern Capital is the Capital, which can absorb losses without triggering bankruptcy of the Bank.

** From Regulatory perspective, Gone Concern Capital is the Capital, which will absorb losses only in a situation of liquidation of the Bank.

Transitional Arrangements

In order to ensure smooth transition to the Basel-III Capital Regulations without aggravating any near term stress, the Reserve Bank of India (RBI) has made transitional arrangements for compliance with Basel-III Capital Regulations in a phased manner. The phasing in of the Minimum Capital Requirement under Basel-III is as follows:

(% of Risk Weighted Assets [RWAs])

	As on March 31,			
	2016	2017	2018	2019
Minimum Common Equity Tier-1 (CET-1)	5.5	5.5	5.5	5.5
Capital Conservation Buffer (CCB)	0.625	1.25	1.875	1.875
Minimum Common Equity Tier-1 (CET-1)+Capital Conservation Buffer (CCB)	6.125	6.75	7.375	7.375
Minimum Tier-1 Capital	7	7	7	7
Minimum Total Capital	9	9	9	9
Minimum Total Capital + Capital Conservation Buffer (CCB)	9.625	10.25	10.875	10.875

As at March 31, 2019, Basel-III guidelines require the Bank to maintain a minimum capital to risk weighted assets ratio (CRAR) of 9% with minimum CET-1 CRAR of 5.5%, Minimum Tier-1 CRAR of 7% and Capital Conservation Buffer (CCB) CRAR of 1.875%. RBI vide Circular RBI/2018-19/106 DBR.BPBC.No.20/21.06.201/2018-19 had decided to defer the implementation of the last tranche of 0.625% of Capital Conservation Buffer (CCB) from March 31, 2019 to March 31, 2020.

The following table sets forth, for the period indicated, computation of capital adequacy as per Basel-III framework:

Qualitative Disclosure

The Bank measures and monitors the LCR in line with the Reserve Bank of India's circular dated June 09, 2014 on "Basel III Framework on Liquidity Standards – Liquidity Coverage Ratio (LCR), Liquidity Risk Monitoring Tools and LCR Disclosure Standards" as amended for "Prudential Guidelines on Capital Adequacy and Liquidity Standards" dated March 31, 2015. The LCR guidelines aim to ensure that a bank maintains an adequate level of unencumbered High Quality Liquid Assets (HQLAs) that can be converted into cash to meet its liquidity needs for a 30 calendar day time horizon under a significantly severe liquidity stress scenario. At a minimum, the stock of liquid assets should enable the bank to survive until day 30 of the stress scenario, by which time it is assumed that appropriate corrective actions can be taken. Banks are required to maintain High Quality Liquid Assets of a minimum of 100% of its Net Cash Outflows by January 1, 2019. However, with a view to provide transition time, the guidelines mandate a minimum requirement of 60% w.e.f. January 01, 2015 and a step up of 10% every year to reach the minimum requirement of 100% by January 01, 2019. The adequacy in the LCR maintenance is an outcome of a conscious strategy of the Bank towards complying with LCR mandate ahead of the stipulated timelines. The maintenance of LCR, both on end of period and on an average basis, has been on account of multiple factors viz., increases in excess SLR, existing eligibility in corporate bond investments, increase in retail deposits and increase in non callable deposits. Unweighted values are calculated as outstanding balances maturing or callable within 30 days (for inflows and outflows) except where otherwise mentioned in the circular and LCR template. Weighted values are calculated after the application of respective haircuts (for HQLA) or inflow and outflow rates (for inflows and outflows). Board of Directors of the Bank has empowered ALCO (Top Management Executive Committee) to monitor and strategize the Balance Sheet profile of the Bank.

The Bank has been maintaining HQLA primarily in the form of SLR investments over and above mandatory requirement; Certificate of Deposits issued by Banks with rating A1+ and above apart from regulatory dispensation allowed upto 13.5% of NDTL (11% upto 30.09.2018 and 13% upto 18.10.2018) in the form of borrowing limit available through Marginal Standing Facility (MSF) and Facility to Avail Liquidity for Liquidity Coverage Ratio (FALLCR). Average LCR for the year ended March 31, 2019 is 308.85% (March 31, 2018: 298.08%), which is comfortably above RBI prescribed minimum requirement of 100%.

Disclosure on option to spread additional liability on account of the Enhancement in gratuity limits

Ministry of Labour and Employment, Government, Government of India on March 29, 2018 has enhanced the gratuity ceiling to an employee under Payment of Gratuity Act, 1972 to ₹20 Lakh from earlier limit of ₹10 Lakh. This change has resulted in an incremental gratuity liability amounting to ₹761 Lakh. As per the RBI circular DBR. BPBC.9730/21.04.018/2017-18 dated April 27, 2018, the Bank has an option to spread the impact of change in gratuity ceiling over four quarters beginning with the quarter ended March 31, 2018. The Bank has not availed this option and the full incremental liability of ₹761 lakh has been charged to the profit and loss account for the quarter and year ended March 31, 2018.

31. Description of Contingent Liabilities

Sl. No.	Particulars*	Brief Description
1	Claims against the Bank not acknowledged as debts	The Bank is a party to various legal proceedings in the normal course of business. The Bank does not expect the outcome of these proceedings to have a material adverse effect on the Bank's financial conditions, results of operations or cash flows.
2	Liability on account of forward exchange and derivative contracts	The Bank enters into foreign exchange contracts, currency options, forward rate agreements, currency swaps and interest rate swaps with interbank participants and customers. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts of financial instruments of such foreign exchange contracts and derivatives provide a basis for comparison with instruments recognized on the balance sheet but do not necessarily indicate the amounts of future cash flows involved or the current fair value of the instruments and, therefore, do not indicate the Bank's exposure to credit or price risks. The derivative instruments become favorable (assets) or unfavorable (liabilities) as a result of fluctuations in market rates or prices relative to their terms. Hence the aggregate fair values of derivative financial assets and liabilities can fluctuate significantly.

Sl. No.	Particulars*	Brief Description
3	Guarantees given on behalf of constituents, acceptances, endorsements and other obligations	As a part of its commercial banking activities the Bank issued documentary credit and guarantees on behalf of its customers. 41. Capital Reserve & Investment Reserve

Profit on sale of investments in the Held to Maturity category is credited to the Profit and Loss Account and thereafter appropriated to capital reserve (net of applicable taxes). During the year ₹1.78 Crores (previous year: Nil) was transferred to Capital Reserve. The Bank has transferred ₹5.88 Crores to Investment Reserve Account against excess provisions for depreciation on investments credited to Profit and Loss Account amounting to ₹10.58 Crores.

42. Corporate Social Responsibility (CSR)

The Bank understands its responsibilities towards the society and environment in which it operates. The Bank has constituted Corporate Social Responsibility Committee at the Board level to monitor the CSR activities. Since the Bank has net loss in computing the average three years net profit for CSR expenditure, no amount was spent on CSR during the current year or in the previous year.

43. Implementation of Indian Accounting Standard (Ind AS)

As per the Road Map of Ministry of Corporate Affairs (MCA) in the Press Release Dated January 18, 2016, Banks shall comply with the Ind AS for the financial statements for the accounting periods beginning from April 01, 2018 onwards with the comparatives for the period ending March 31, 2018. RBI had issued necessary instructions to Banks to take steps to assess the impact of transition to Ind AS, adopt strategies for the effective implementation of Ind AS including disclosure of the strategies adopted and the process made in the Annual Report.

Complying with the RBI direction to achieve the MCA Roadmap of Ind AS implementation, Bank had constituted Steering Committee headed by Managing Director & CEO, comprising members from cross functional areas to oversee the progress of Ind AS implementation and report the progress to Audit Committee of Board and Board of Directors. The Bank has also constituted

sub-committee comprising members of junior/middle level management for Ind AS implementation and adopted three phased approach for meeting the deadline.

Bank has furnished Proforma Ind AS financial statements to the RBI every quarter with the corresponding comparative financial statements as per the current framework as advised by RBI.

RBI, vide circular DBR.BPBC.No.29/21.07.001/2018-19 dated March 22, 2019, has deferred the implementation of Ind AS until further notice considering the pending legislative amendments required for Ind AS implementation as also the level of preparedness of many banks.

44. Comparative Figures

Previous year figures have been re-grouped/ re-classified wherever considered necessary to conform to current year's classification.

TABLE DF 2 – CAPITAL ADEQUACY

Qualitative disclosures:

Basel-III guidelines issued by RBI

Reserve Bank of India issued Guidelines based on the Basel III reforms on capital regulation in May 2012, to the extent applicable to Banks operating in India. The Basel-III capital regulation has been implemented from April 1, 2013 in India in phases and it will be fully implemented as on March 31, 2019. The Basel-III Capital Regulations have been consolidated in Master Circular – Basel-III Capital Regulations.

Basel-III Capital regulations continue to be based on three-mutually reinforcing pillars viz., minimum capital requirements, supervisory review of capital adequacy and market discipline of the Basel-II capital adequacy framework. The circular also prescribes the risk weights for the balance sheet assets, non-funded items and other off-balance sheet exposures and the minimum capital funds to be maintained as ratio to the aggregate of the risk weighted assets (RWA) and other exposures, as also, capital requirements in the trading book, on an ongoing basis and operational risk. The Basel-III norms mainly seek to:

- a) Raise the quality of capital to ensure that the Banks are capable to absorb losses on both as going concern and as gone concern basis,
- b) Increase the risk coverage of the capital framework,
- c) Introduce leverage ratio to serve as a backstop to the risk-based capital measure,
- d) Raise the standards for the supervisory review process and public disclosures etc.

The macro prudential aspects of Basel-III are largely enshrined in the capital buffers, viz., capital conservation buffer and counter-cyclical buffer. Both the buffers are intended to protect the Banking sector from stress situations and business cycles. The Capital Conservation Buffer requirements started from March 31, 2016 and are to be fully implemented by March 31, 2019. The Reserve Bank of India has released the final guidelines on implementation of Counter-cyclical Capital Buffer (CCCB) in India vide RBI/2014-15/452 DBR.No.BPBC.71/21.06.201/2014-15 dated February 5, 2015. The CCCB shall increase gradually from 0 to 2.5 per cent of the RWA of the bank but the rate of increase would be different based on the level/position of credit-to-GDP gap between 3 and 15 percentage points, when notified.

Structure and Organization of the Risk Management function in the Bank

Scope and Nature of Risk Reporting and/or Measurement Systems

The Bank has adopted an integrated approach for the management of risk. The Bank's Integrated Risk Management Department (IRMD) is the organizational arm for risk management functions. The Bank has developed a comprehensive risk rating system that serves as a single point indicator of diverse risk factors of counterparty and for taking credit decisions in a consistent manner. Major initiatives of IRMD are –

- ✓ Risk rating system is drawn up in a structured manner incorporating the parameters from the five main risk areas 1) Financial Risk, 2) Industry/Market Risk, 3) Business Risk, 4) Management Risk, and 5) Facility Risk
- ✓ Risk rating system is made applicable for loan accounts with total limits of ₹2 lakhs and above.
- ✓ Different rating models are used for different types of exposures, for e.g. Traders, SME, NBFC, Corporate, small loans, retail loans etc.
- ✓ IRMD validates the ratings of all exposures of ₹100 lakhs and above.
- ✓ An independent analysis is carried out of the various risks attached to the credit proposals including industry analysis.
- ✓ Carries out rating migration analysis of the credit exposures of ₹1 Crore & above on a quarterly basis. Rating Migration analysis covering all exposures of ₹25 lakhs and above is conducted on half yearly basis.
- ✓ Evaluates the asset quality by tracking the delinquencies and migration of borrower from one rating scale to another.

Credit facilities are sanctioned at various levels in accordance with the delegation approved by the Board. The Bank has in place the following hierarchical functionaries with powers delegated for credit sanction and administration:

- Branch Head with Branch Operational Manager jointly,
- Regional Credit Committee
- Corporate Credit Committee at Corporate Office level
- Management Committee
- Board of Directors

Policies for hedging and/or mitigating risk and strategies and processes for monitoring the continuing effectiveness of hedges/mitigants

The Bank has put in place a Board approved policy on Credit Risk Mitigation Techniques and Collateral Management, covering the credit risk mitigation techniques used by the Bank for both risk management and capital computation purposes. Apart from the Basel defined collateral, the Bank ensures securities by way of inventories, Book Debts, plant & machineries, Land & Buildings and other moveable/immovable assets/properties. The Bank also accepts personal/corporate guarantee as an additional comfort for credit risk mitigation. The securities are subjected to proper valuation as prescribed in the Credit Policy of the Bank.

Bank has laid down detailed guidelines on documentation to ensure legal certainty of Bank's charge on collaterals. In order to ensure that documents are properly executed, the function has been brought under the purview of Credit Officers. The Credit Officers at branches ensure documentation, ground level follow up, collection of feedback, closer monitoring of accounts, quality of asset portfolios, statistical analyses, reporting of irregularities, providing guidelines, compliance with policy prescriptions and adherence to terms of sanction.

The Bank has an exclusive set up for Credit monitoring functions in order to have greater thrust on post sanction monitoring of loans and strengthen administering the various tools available under the Bank's policies on loan review mechanism. For effective loan review, the Bank has the following in place:

- On site monitoring tools like Inspection of assets/books/stock of the borrower, stock audit, operations in the account, payment of statutory dues etc.
- Recording of loan sanctioned by each sanctioning authority by the next higher authority.
- Off site monitoring tools like Financial Follow-up Reports, verification of various statutory returns, Audit Reports etc.

TABLE DF 3 – CREDIT RISK: GENERAL DISCLOSURES

Qualitative disclosures:

(a) General:

Definitions of past due and impaired (for accounting purposes)

The Bank has adopted the definition of the past due and impaired (for accounting purposes) as defined by the Regulator for income recognition and asset classification norms which is furnished below:

1. Non-performing Assets

An asset, including a leased asset, becomes non-performing when it ceases to generate income for the Bank. A non-performing asset (NPA) is a loan or an advance where;

- a) interest and/or installment of principal remain overdue for a period of more than 90 days in respect of a term loan,
- b) the account remains 'out of order' as indicated at paragraph 2 below, in respect of an Overdraft/Cash Credit (OD/CC),
- c) the bill remains overdue for a period of more than 90 days in the case of bills purchased and discounted,
- d) the installment of principal or interest thereon remains overdue for two crop seasons for short duration crops,
- e) the installment of principal or interest thereon remains overdue for one crop season for long duration crops,
- f) the amount of liquidity facility remains outstanding for more than 90 days, in respect of a securitization transaction undertaken in terms of guidelines on securitization dated Feb. 1, 2006,
- g) in respect of derivative transactions, the overdue receivables representing positive mark-to-market value of a derivative contract, if these remain unpaid for a period of 90 days from the specified due date for payment.

An account is classified as NPA only if the interest due and charged during any quarter is not serviced fully within 90 days from the end of the quarter.

In addition, an account may also be classified as NPA in terms of any temporary deficiencies as defined by the Regulator.

2. 'Out of Order' status

An account is treated as 'out of order' if the outstanding balance remains continuously in excess of the sanctioned limit/drawing power. In cases where the outstanding balance in the principal operating account is less than the sanctioned limit/drawing power, but there are no credits continuously for 90 days as on the date of Balance Sheet or credits are not enough to cover the interest debited during the same period, these accounts are treated as 'out of order'.

3. 'Overdue'

Any amount due to the Bank under any credit facility is 'overdue' if it is not paid on the due date fixed by the Bank.

Strategies and Processes for Credit Risk Management

Credit Risk Management Committee (CRMC) headed by MD & CEO is the top level functional committee for Credit Risk. The committee considers and takes decisions necessary to manage and control credit risk within overall quantitative prudential limit set up by Board. The committee is entrusted with the job of recommending to the Board for its approval, clear policies on standards for presentation of credit proposal, fine-tuning required in various rating models based on feedbacks or change in market scenario, approval of any other action necessary to comply with requirements set forth in Credit Risk Management Policy/RBI guidelines or otherwise required for managing credit risk. The Bank has implemented a software solution to get system support for calculation of Risk Weighted Assets for CRAR computation.

The Bank's strategies to manage the credit risks in its lending operations are as under:

- a) The Bank has a Comprehensive Board Approved Credit Risk Management Policy which is reviewed and revised annually. In addition to the above, various strategies with regard to Credit risk management are covered under Bank's Credit Policy, Credit Monitoring Policy and Recovery Policy which are periodically reviewed by the Board.
- b) Defined segment exposures delineated into Retail, SME and Corporates.
- c) Industry wise exposure caps on aggregate lending by Bank.
- d) Individual borrower wise caps on lending as well as borrower group wise lending caps linked as a percentage to the Bank's capital funds in line with RBI guidelines.

- e) Credit rating of borrowers and allowing credit exposures only to defined thresholds of risk levels.
- f) A well defined approach to sourcing and preliminary due diligence while sourcing fresh credit accounts.
- g) A clear and well defined delegation of authority within the Bank in regard to decision making linking exposure, rating and transaction risks.
- h) Regular review of all credit structures and caps, continuously strengthening credit processes, and monitoring oversight which are regularly reviewed and duly approved by the Board of the Bank.
- i) Credit Risk Management Cell is validating the rating assigned to all individual credit exposures of ₹100 Lakh and above.
- j) Bank has an ever improving procedures and structures with respect to Credit Approval Process, Credit Rating, Prudential Limits, Documentation, Credit Monitoring and Review Mechanism.
 - a) Credit Audit System by Inspection Department has been put in place for all ₹3 Crore and above advances. All new sanctions/enhancements, excluding renewals, made in the quarter will be subjected to credit audit during the first month of succeeding quarter. All loans/advances of ₹1 Crore to ₹3 Crores shall be subjected to Credit audit by concerned Regional office, through another Branch Head/Credit Officer/ARCO in the region.
 - b) Legal Audit for all the advances ₹1 Crore and above, backed by mortgage of properties is conducted at varying frequencies.
 - c) The review of accounts is usually done once a year. But in case of deterioration of the quality of advance the frequency of review is shortened to half yearly or quarterly as per the case.
 - d) The Credit Officers at branch level take care of the security creation and account management.
 - e) Credit Monitoring Department monitors the performance of loan assets of the Bank.
 - f) Bank also carries out industry study which would provide necessary information to Business line to increase/hold/decrease exposure under various industries.

TABLE DF 4 – DISCLOSURES FOR PORTFOLIOS SUBJECT TO THE STANDARDIZED APPROACH

Qualitative disclosures:

(a) For Portfolios under the standardized approach

1	Names of credit rating agencies used	Bank has approved all the external credit rating agencies accredited by RBI for the purpose of credit risk rating of domestic borrowal accounts, i.e. CRISIL, CARE, India Ratings & Research Pvt. Ltd., ICRA, Brick Work Ratings, SMERA and International Credit rating agencies, i.e. Standard and Poor, Moody's and FITCH.
2	Changes if any, since prior period disclosure in the identified rating agencies and reasons for the same.	No change

3 Types of exposure for which each agency is used	The external rating assigned by an agency is considered only if it fully takes into account the credit exposure of the Bank. Bank is entitled to use the ratings of all the above identified Rating Agency rating for various types of exposures as follows:
	(i) For Exposure with a contractual maturity of less than or equal to one year (except Cash Credit, Overdraft and other Revolving Credits) , Short-Term Rating given by ECA will be applicable.
	(ii) For Domestic Cash Credit, Overdrafts and other Revolving Credits (irrespective of the period) and/or Term Loan exposures of over one year, Long Term Rating will be applicable.
	(iii) For Overseas exposures, irrespective of the contractual maturity, Long Term Rating given by IRAs will be applicable.
	(iv) Rating by the agencies is used for both fund based and non-fund based exposures.
	(iv) Rating assigned to one particular entity within a corporate group cannot be used to risk weight other entities within the same group.
4 Description of the process used to transfer public issue rating on to comparable assets in the Banking book.	Long-term Issue Specific (our own exposures or other issuance of debt by the same borrower-constituent/counter-party) Ratings or Issuer(borrower-constituent/counter-party) Ratings can be applied to other unrated exposures of the same borrower-constituent/counterparty in the following cases:
	(i) If the Issue Specific Rating or Issuer Rating maps to Risk Weight equal to or higher than the unrated exposures, any other unrated exposure on the same counter-party will be assigned the same Risk Weight, if the exposure ranks paripassu or junior to the rated exposure in all aspects.
	(ii) In cases where the borrower-constituent/counter-party has issued a debt (which is not a borrowing from our Bank), the rating given to that debt may be applied to Bank's unrated exposures if the Bank's exposure ranks pari-passu or senior to the specific rated debt in all respects and the maturity of unrated Bank's exposure is not later than Maturity of rated debt.

TABLE DF 5 – CREDIT RISK MITIGATION - STANDARDIZED APPROACH

Qualitative Disclosure:

(a) General

Policies and processes for collateral valuation and management:

The Bank has put in place a Board approved policy on Credit Risk Mitigation Techniques and Collateral Management, covering the credit risk mitigation techniques used by the Bank for both risk management and capital computation purposes.

A description of the main types of collateral taken by the Bank

Collateral used by the Bank as risk mitigants for capital computation under Standardized Approach comprise eligible financial collaterals namely:

- ✓ Cash and fixed deposits of the counterparty with the Bank.
- ✓ Gold: value arrived at after notionally converting these to 99.99% purity.
- ✓ Securities issued by Central and State Governments.
- ✓ Kisan Vikas Patra and National Savings Certificates.
- ✓ Life Insurance Policies restricted to their surrender value.
- ✓ Debt securities rated by an approved Rating Agency.
- ✓ Unrated debt securities issued by Banks, listed in Stock Exchange.
- ✓ Units of Mutual Funds.

Bank has no practice of 'On balance sheet' netting for credit risk mitigation.

The main types of guarantor counterparty and their creditworthiness

Bank accepts guarantees of Individuals or Corporates with adequate network, as an additional comfort for mitigation of credit risk which can be translated into a direct claim on the guarantor and are unconditional and irrevocable. Main types of guarantor counterparty as per RBI guidelines are:

- ✓ Sovereigns (Central/ State Governments)
- ✓ Sovereign entities like ECGC, CGTMSE, CRGFTLIH
- ✓ Bank and primary dealers with a lower risk weight than the counterparty
- ✓ Other entities rated AA (-) and above. The Guarantees has to be issued by entities with a lower risk weight than the counterparty.

Information about risk concentrations of collaterals within the mitigation taken as on 31.03.2019:

Financial Risk Mitigants	Outstanding Covered by Risk Mitigants (In Crore)	Risk Concentration %
Gold	1059.22	66.41%
Cash & Deposits	534.18	33.49%
KVP/VP/NSC	1.00	0.06%
LIC Policy	0.46	0.03%
Total	1594.85	100.00%

Majority of the financial collaterals held by the Bank are by way of Gold, own deposits, Life Insurance Policies and other approved securities. Bank does not envisage market liquidity risk in respect of financial collaterals.

Concentration on account of collateral is also relevant in the case of land & building. However, as land & building is not recognized as eligible collateral under Basel-II standardized approach, its value is not reduced from the amount of exposure in the process of computation of capital charge. It is used only in the case of housing loan to individuals and non-performing assets to determine the appropriate risk weight. As such, there is no concentration risk on account of nature of collaterals.

Quantitative Disclosures:

DF TABLE 7 – MARKET RISK IN TRADING BOOK - STANDARDIZED MODIFIED DURATION APPROACH**Qualitative Disclosures:****(a) General:****Strategies and processes:**

The overall objective of market risk management is to maximize shareholder value by improving the Bank's competitive advantage and reducing loss from all types of market risk loss events. For effective management of market risk, Bank has put in place a well established framework with the Integrated Treasury Policy and Asset Liability Management Policy. The Asset Liability Management Committee is responsible for establishing market risk management and Asset Liability Management in the Bank. ALCO is a decision making unit responsible for balance sheet planning from risk-return perspective including the strategic management of interest rate and liquidity risks. Bank is computing LCR (Liquidity Coverage Ratio) on a monthly basis. ALCO ensures adherence to the limits set by RBI as well as the Board.

Scope and nature of risk reporting/measurement systems:

The Bank has put in place regulatory/internal limits for various products and business activities relating to trading book. Various exposure limits for market risk management such as overnight limit, VaR limit, Daylight limit, Aggregate Gap limit, Investment limits etc. are in place. The reporting system ensures time lines, reasonable accuracy with automation, highlight portfolio risk concentrations and include written analysis. The reporting formats and frequency are periodically reviewed to ensure that they suffice for risk monitoring, measuring and mitigation requirements of the Bank. Bank also subjects Non-SLR investments to credit rating.

Policies for hedging/mitigating risk and strategies and processes for monitoring the continuing effectiveness of hedges/Mitigants:

Board approved policies viz., Integrated Treasury Policy and Asset Liability Management Policy provides the framework for risk assessment, identification, measurement and mitigation, risk limits & triggers, risk monitoring and reporting.

Liquidity risk of the Bank is assessed through Statement of Structural Liquidity Statement which is prepared on a daily basis. The Bank also reviews various liquidity ratios on a fortnight basis in order to control the liquidity position. Interest Rate Risk is analyzed from earnings perspective using Traditional Gap Analysis on a fortnightly basis and economic value perspective using Duration Gap Analysis on a monthly basis. Stress tests are conducted at quarterly intervals to assess the impact of various contingencies on the Bank's earnings and the capital position.

The Bank uses Standardized Duration approach for computation of market risk capital charge on the investment portfolio held under HFT and AFS, Gold and Forex Open positions. The market risk capital charge is calculated on a daily basis and reported to ALCO.

Quantitative Disclosures:

Equity position risk	8.79
Foreign exchange risk	1.26

TABLE DF 08 – OPERATIONAL RISK**Qualitative disclosures:****(a) General****Strategies and processes:**

The Bank's strategy is to ensure that the Operational risks which are inherent in Process, People and System and the residual risks are well managed by the implementation of effective Risk management techniques. Keeping this in view, the Bank has been following risk management measures which address the risks before and after implementation of a process, product and system. All new products, processes and systems which are cleared by the Product & Process Approval Committee (PPAC) are risk vetted by the Operational Risk Management (ORM) cell, before implementation. The ORM cell has completed Risk & Control Self Assessment (RCSA) at Thrust Branches and other core functions highlighting the potential risks that can happen during the course of operations and to assess whether the controls are adequate to manage/mitigate these risks. Risk Based Internal Audit is in place in all the Branches. The Bank has a RCSA document approved by the Risk Management Committee of the Board (RMCB), in place.

The framework for Operational Risk Management is well-defined in the Operational Risk Management (ORM) Policy which is reviewed and revised annually. The ORM Committee at the executive level, which meets at regular intervals oversees Bank-wide implementation of Board approved policies and process in this regard. The Bank has put in place important policies like Information System Security, Know Your Customer & Anti Money Laundering, Fraud Risk Management, Business Continuity and Disaster Recovery Management.

Scope and nature of risk reporting/measurement systems:

The Bank has adopted Operational Loss Data Reporting Format from the Loss Data Methodology Document for collection of Loss Data, which will enable the Bank to eventually ease the transition to Advanced Measurement Approach for Capital Calculation. The ORM cell has a well-built internal Loss data collection system in place. The risk reporting consists of operational risk loss incidents/events occurred in branches/offices relating to people, process, technology and external events.

Policies for hedging and/or mitigating risk and strategies and processes for monitoring the continuing effectiveness of hedges/mitigants:

Internal control mechanism is in place to control and minimize the operational risks. If any controls are found to be ineffective during the course of Risk & Control Self Assessment, corrective measures are adopted in due course. A monitoring system is also in place for tracking the corrective actions plan periodically. Bank is using insurance for mitigating operational risk. The various Board approved policies viz., Operational Risk Management Policy, Outsourcing Policy, Compliance Policy, Internal Inspection & Audit Policy, Internet Banking Security Policy; Policy on KYC & AML; Information Systems Security Policy and Business continuity Plans addresses issues pertaining to Operational Risk Management.

Operational Risk capital assessment:

The Bank has adopted Basic Indicator Approach for calculating capital charge for Operational Risk, as stipulated by the Reserve Bank of India. The ORM Cell is focusing on the qualitative and quantitative requirements (RCSA, KRI identification, Business line mapping etc.) prescribed by the regulator and these are being adopted by the Bank to move on to the Advanced Approaches in due course.

TABLE DF 09 – INTEREST RATE RISK IN THE BANKING BOOK (IRRBB)

(a) Qualitative Disclosures:

Strategies and processes:

The Bank has put in place a comprehensive market risk management framework to address market risks. The Asset Liability Management Policy prescribes the measurement of the interest rate risk under two perspectives – Earnings perspective and Economic Value Perspective.

Under Earnings perspective, Bank uses the Traditional gap analysis method to calculate the Earnings at Risk (EAR), which is the quantity by which net income might change in the event of an adverse change in interest rate. EAR is calculated on a fortnightly basis.

Under Economic value perspective, Bank uses Duration Gap Analysis to assess the impact of interest rate risk. The Duration gap analysis monitors the impact of changes in the interest rates on the Market Value of Equity (MVE). It is calculated on a monthly basis.

The framework for managing interest rate risk (EVE) under Pillar II of Basel II is put in place through ICAAP Policy document.

Scope and nature of risk reporting/measurement systems:

Interest rate risk under duration gap analysis is evaluated on a monthly basis. The likely drop in Market Value of Equity for a 200 bps change in interest rates is computed. Earnings at Risk based on Traditional Gap Analysis are calculated on a fortnightly basis and adherence to tolerance limits set in this regard is monitored and reported to ALCO. Stress tests are conducted to assess the impact of interest rate risk under different stress scenarios on earnings of the Bank.

Policies for hedging/mitigating risk and strategies and processes for monitoring the continuing effectiveness of hedges/mitigants:

Bank has operationalised mitigating/hedging measures prescribed by Integrated Treasury Policy, ALM Policy and Stress Testing Policy. The strategy adopted by ALCO for mitigating the risk is by clearly articulating the acceptable levels of exposure to specific risk types (interest rate, liquidity etc). The process for mitigating the risk is initiated by altering the mix of asset and liability composition and with the proper pricing of advances and deposits.

Brief description of the approach used for computation of interest rate risk:

The interest rate risk (EVE) is computed through Duration Gap Analysis. The step-by-step approach for computing modified duration gap is as follows:

- i) Identify variables such as principal amount, maturity date/re-pricing date, coupon rate, yield, frequency and basis of interest calculation for each item/category of Rate Sensitive Asset/Rate Sensitive Liability (RSA/RSL).
- ii) Plot each item/category of RSA/RSL under the various time buckets. For this purpose, the absolute notional amount of rate sensitive off-balance sheet items in each time bucket are included in RSA if positive or included in RSL if negative.
- iii) The mid-point of each time bucket is taken as a proxy for the maturity of all assets and liabilities in that time bucket.
- iv) Determine the coupon and the yield curve for arriving at the yields based on current market yields or current replacement cost for computation of Modified Duration (MD) of RSAs and RSLs.
- v) Calculate the MD in each time band of each item/category of RSA/RSL using the maturity date, yield, coupon rate, frequency, yield and basis for interest calculation.
- vi) Calculate the MD of each item/category of RSA/RSL as weighted average MD of each time band for that item.
- vii) Calculate the weighted average MD of all RSA (MDA) and RSL (MDL) to arrive at Modified Duration Gap (MDG).

(b) Quantitative Disclosures:

The impact on earnings and economic value of equity for notional interest rate shocks as on 31.03.2019.

Earnings at Risk:

Change in interest rate	Change in NII (₹ in Crores)
± 25 bps	4.40
± 50 bps	8.79
± 75 bps	13.19
± 100 bps	17.59

The Bank is computing market value of equity based on Duration Gap Analysis.

For a 200 bps rate shock, the drop in equity value as on 31.03.2019 (0.98%)

TABLE DF – 10: GENERAL DISCLOSURE FOR EXPOSURE RELATED TO COUNTERPARTY CREDIT RISK**Qualitative disclosures:**

Counterparty credit risk is the risk that the counterparty to a transaction could default before the final settlement of the transaction's cash flows. Bank has put in place Counterparty Credit Risk limits for banks as counterparty, based on a number of financial parameters like net worth, capital adequacy ratio, rating etc. of the counterparty bank and with the approval of the Board. Counterparty exposures for other entities are subject to comprehensive exposure ceilings fixed by the Board. Capital for Counterparty Credit Risk is assessed based on the Standardized Approach

Quantitative disclosures:

The Bank does not recognize bilateral netting. The credit equivalent amounts of derivatives that are subjected to risk weighting are calculated as per the Current Exposure Method. The derivative exposure is calculated using Current Exposure Method and the balance outstanding as on March 31, 2019 is given below.

TABLE DF-15: DISCLOSURE REQUIREMENTS FOR REMUNERATION

Qualitative Disclosures

a. Information relating to the composition and mandate of the Remuneration Committee

> Composition

The Board constituted a Remuneration Committee on 29.02.2008, which was reconstituted on 27.09.2008, 06.10.2009 and 28.02.2013. The Committee was renamed/reconstituted as Nomination & Remuneration Committee by the Board at its meeting held on 26.10.2015. The Nomination & Remuneration Committee comprises of Sri P. S. Sreekumar as Chairman, Sri Sajeev Krishnan, Dr. Lakshmi Devi K. R. and Sri Gopinathan C. K. as members as on March 31, 2019.

The terms of reference of the Committee are as follows:

1. Frame a policy describing the qualification, experience and other positive attributes for selection of executive/whole time directors including their age of retirement;
2. Formulate criteria for performance evaluation of Board and its Members and various Committees of Board;
3. Conduct performance evaluation of the Board and its Committees and Members on the basis of the above formulated criteria;
4. Review the adequacy of the objectives/criteria for performance evaluation, the appropriateness of the process involved, effectiveness of the evaluation techniques, etc. and identify the areas where improvements are required including training, skill building, etc. and the nature of actions required along with the timelines/resources required for the same;
5. Determine the continuance extension of the term of independent Directors on the basis of the performance evaluation;
6. Formulate and put in place guiding principles to determine the qualities, qualifications, and the parameters to determine the 'fit and proper' criteria for appointment of independent Directors keeping in mind the diversity quotient the Bank's Board shall maintain from time to time and subject to the applicable regulatory requirements;
7. Conduct the process of due diligence to determine the suitability of the person for appointment/continuing to hold appointment as Director on the Board, based on the specific criteria prescribed by Reserve Bank of India;
8. Filling in a timely manner vacancies on the Board of the company including the position of executive/whole time directors;
9. Selection of directors, key management personnel and persons to be appointed in senior management positions as defined by the Board and recommend to the Board for their appointment and removal thereof;
10. Formulate and recommend to the Board for its approval a policy relating to the remuneration for the directors, key managerial personnel and other employees from time to time to ensure that:
 - a) The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Bank successfully;
 - b) Relationship of remuneration to performance is clear and meets appropriate performance benchmarks;
 - c) Remuneration to Directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals;
11. Review the performance of individual Directors of the Bank on a yearly basis at the end of each financial year or at such periodicity as the Committee deem fit and recommend to the Board on the basis of such review, whether a director to be recommended for re-appointment or not;
12. Ensure that at all times, the Board of the Bank has a fair combination of independent, non-executive and executive directors meeting the governance standards set by the Board and in compliance with regulatory requirements and listing agreements prevailing from time to time;
13. Ensure that the organization structure and flow of command meets the governance standard set for the internal management of the Bank;
14. Evaluate and put in place proper mechanism for refreshment trainings for Directors on relevant subject;
15. Evaluate and put in place a proper mechanism to ensure that the independence of independent directors are always maintained and to ensure that there are no situations which suggest the existence of circumstances resulting in the loss of independence of any directors of the Bank;
16. Put in place, subject to the provisions of applicable laws, policies and procedure for determining the retirement and re-appointment of independent and other Directors on the board of the Bank;
17. Ensure that at all times the sub committees of the Board is functioning and are constituted according to the regulatory requirement and governance policies of the Bank;
18. Oversee the overall governance standards and policies of the Bank and delegation of authorities to match with the best practices in relation to the size of the Bank and the level of its operations to protect the interest of all stakeholders.

The roles and responsibilities of the Compensation & Remuneration Committee (CRC) are as follows:

- ✓ To oversee the framing, review and implementation of compensation policy of the bank on behalf of the board.
- ✓ To ensure the cost/income ratio of the bank supports the remuneration package consistent with maintenance of sound capital adequacy ratio.
- ✓ To determine on their behalf and on behalf of the shareholders with agreed terms of reference, the company's policy on specific remuneration packages for executive directors including pension rights and any compensation payment.
- ✓ For determining the modalities of providing appropriate incentives to employees, including stock options (i) to foster employee commitment and a feeling of ownership (ii) to retain employees or skill groups among them (iii) attract talented professionals (iv) to instill a sense of belonging to the Bank, among employees.

b. Information relating to the design and structure of remuneration processes and the key features and objectives of remuneration policy.

Remuneration and other perquisites paid to the Chairman and Managing Director & CEO are as approved by the Reserve Bank of India. Non-executive Directors are being paid sitting fees for each meeting attended by them. During the year, no remuneration, excepting sitting fees and re-imbursment of actual travel and out-of-pocket expenses was paid.

The Bank has formed the compensation policy based on the Reserve Bank of India guidelines vide its circular No. DBOD. No. BC.72/29.67.001/2011-12 dtd. 13/01/2012. The fixed remuneration and other allowances including retirement benefits of all subordinate, clerical and officers is governed by the industry level wage settlement under Indian Banks Association (IBA) pattern. In respect of officers covered under Cost to the Company payment scheme, the overall salary will be pegged at 115% of IBA salary of corresponding grade. Officers appointed on contract basis are offered a fixed consolidated pay as determined by Board/Committee/ MD & CEO on a case to case basis.

c. Description of the ways in which current and future risks are taken into account in the remuneration processes. It should include the nature and type of the key measures used to take account of these risks

The Board of Directors through the Remuneration Committee shall exercise oversight and effective governance over the framing and implementation of the Compensation policy. Human Resource Management under the guidance of MD & CEO shall administer the compensation and Benefit structure in line with the best suited practices and statutory requirements as applicable.

d. Description of the ways in which the bank seeks to link performance during a performance measurement period with levels of remuneration

The factors taken in to account for the annual performance review are:

- ✓ The performance of the Bank
- ✓ The performance of the business unit
- ✓ Individual performance of the employee
- ✓ Other risk perceptions and economic considerations

e. A discussion of the bank's policy on deferral and vesting of variable remuneration and a discussion of the bank's policy and criteria for adjusting deferred remuneration before vesting and after vesting.

- ✓ As of now, Bank is not offering variable pay and hence no such deferrals of variable.
- ✓ Employee Stock Option Scheme/Employee Stock Option Plan as may be framed by the Board from time to time in conformity with relevant statutory provisions and SEBI guidelines as applicable will be excluded from the components of variable pay.

f. Description of the different forms of variable remuneration (i.e. cash, shares, ESOPs and other forms) that the bank utilizes and the rationale for using these different forms.

Variable pay means the compensation as fixed by the Board on recommendation of the Committee, which is based on the performance appraisal of an employee in that role, that is, how well they accomplish their goals. It may be paid as:

- ✓ Performance Linked Incentives to those employees who are eligible for incentives.
- ✓ Ex-gratia for other employees who are not eligible for Performance linked Incentives.
- ✓ Bonus for those staff members who are eligible for bonus under the Payment of Bonus Act, 1965.

As of now, Bank is not having a variable pay structure.

Board of the Bank at its meeting held on 14.09.2014 has approved the Employees Stock Options Scheme (ESOS 2013). The salient features of the ESOS 2013 are as under:

- ✓ Confirmed employees who are in the service of the Bank as on 01.05.2014 having more than 2 years of service in the Bank are eligible.
- ✓ Present Grade and completed years of service as on 01.05.2014 are the yard sticks considered for grant of options to employees.
- ✓ Granted shares shall vest as per the following vesting schedule:
 - 30% shall vest on completion of 12 months from the date of grant (14.08.2014) which is on 14.08.2015.
 - 30% shall vest on completion of 24 months from the date of grant which is on 14.08.2016.
 - Remaining 40% shall vest on completion of 36 months from the date of grant which is on 14.08.2017.
- ✓ Exercise period for the options granted shall be 3 years from the date of vesting.
- ✓ The options are being granted at ₹40.73 per option.
- ✓ The grade wise/experience wise eligibility grid is as under:

Completed year of service as on 01.05.2014

TABLE DF-16: EQUITIES – DISCLOSURE FOR BANKING BOOK POSITIONS

The Bank does not have Equities in Banking Book and hence not applicable.

Leverage Ratio

Leverage ratio is a non-risk based measure of all exposures for the Tier I capital. The leverage ratio is calibrated to act as a credible supplementary measure to the risk based capital requirements. The Basel III leverage ratio is defined as the capital measure (the numerator) divided by the exposure measure (the denominator), with this ratio expressed as a percentage. Presently the indicative benchmark Leverage Ratio prescribed is 4.50% (minimum).

$$\text{Leverage Ratio} = \frac{\text{Capital Measure (Tier I Capital)}}{\text{Exposure Measure}}$$

Liquidity Coverage Ratios (LCR)

The LCR promotes short-term resilience of banks to potential liquidity disruptions by ensuring that they have sufficient High Quality Liquid Assets (HQLAs) to survive an acute stress scenario lasting for 30 days. As per RBI guidelines on "Basel-III Framework on Liquidity Standards – Liquidity Coverage Ratio, Liquidity Risk Monitoring Tools and LCR Disclosure Standards" dated June 9, 2014, LCR is introduced in a phased manner starting with a minimum requirement of 60% from January 1, 2015 and reaching minimum 100% on January 1, 2019.

Definition of LCR
